

# ALPHAÆON® ZX1

Where comfort meets retro elegance.

Classic brown PU leather with white stitching, blending vintage and comfort elegance design.

High-back ergonomic design provides full back support for enhanced comfort and stability.

Durable, water-resistant, and easy-to-clean PU leather.

High backrest design with reclining up to 150° for lounging comfort and the best safety.

Removable lumbar and head pillows reduce fatigue during prolonged use.

Rocking mode provides a relaxed experience, ideal for reading or short rests.

4D adjustable armrests allow height, angle, and front-back adjustments for flexible seating support.

Quick-insert angle adjuster allows seamless backrest adjustments.

Metal frame with high-density molded foam seat cushion ensures longevity without deformation.

Five-star metal base with TÜV-certified gas lift ensures smooth and safe height adjustments.

6cm silent racing wheels compatible with multiple floor types.
